Facility Number

The above-named child care facility has complied with the requirements relating to Child Care Facilities under the provisions of the Oklahoma Child Care Facilities Licensing Act, as amended Title 10 Oklahoma Statutes Annotated Sections 401 et seq.

This license must be displayed in a prominent place in your child care facility. If the location or ownership of the facility changes, please return the license to this office.

This Department appreciates your cooperation and continues to share your interest and concern in providing services for children. A licensing representative from this department will be available to consult with you and will monitor your facility periodically throughout the year.

Janice McGlon-Matthews, Licensing Coordinator
Division of Child Care
